

Accountant (m/f/d)

ABC Research GmbH is an application-oriented research organisation in the field of blockchain and related technologies. Together with scientific partners, we conduct cooperative research projects with companies.

We are looking for an **accountant** for the area of accounting, balance sheet accounting and controlling.

Who you are

- completed education as a balance sheet accountant
- experience in accounting and cost accounting
- interest in working in a scientific environment
- very good knowledge of German and English

Your tasks include

- controlling
- Accounting for research projects
- Bookkeeping and cost accounting
- Balance sheet accounting incl. participation in budget preparation and preparation of annual financial statements
- Participation in reporting and project planning
- Cooperation and support in other administrative and organisational activities

What we offer

- Attractive full-time employment (40 hours/week)
- Interesting, varied range of tasks
- Working in an international team
- Workplace close to the underground (U1)
- Flexible working hours and location

The minimum salary for this position is € 3.200,00 gross per month (14 times a year). Our final offer will depend on your experience.

The Austrian Blockchain Center (ABC) is an interdisciplinary, partially funded application-oriented research centre at the interface between science and industry. The mission of the Center is to be the Austrian one-stop-shop research centre for Blockchain (and related) technologies used in industrial applications such as Industry 4.0 / IoT as well as in finance, energy, logistics, government and administration applications. Together with our academic partners, we provide services to a wide range of industries, from financial services to manufacturing.

Are you interested? Please email us at jobs@abc-research.at. Applications will be considered on a rolling basis. Please attach your CV, letter of motivation and other relevant documents.
